

Welcome to **Neurological Medicine, P.A.**

Neurological Medicine, P.A., provides comprehensive diagnostic and treatment services to patients with conditions affecting the brain, spinal cord, nerves, and muscles. We are committed to providing compassionate and expert service to our patients.

We have been serving the Prince George's and Montgomery County area since 1975.

We offer complete adult and pediatric neurological care as well as in-office neurodiagnostic studies including EEG (brain wave), EMG/NCT (nerve and muscle testing), and evoked potentials for the convenience of our patients. We have comprehensive, non-invasive ultrasound studies to diagnose blockage of blood circulation to the brain, including Transcranial Doppler, Carotid Doppler Ultrasound and Vestibular testing (inner ear).

Neurological Medicine, P.A. is committed to seeing new patients **within seven days (7) or less of your request.**

Should you have any questions regarding your health insurance or to schedule an appointment, please feel free to call us at **301-982-7944.**

Insurance and payment options

Neurological Medicine, P.A., is a provider for **Medicare and most major insurance plans**. We provide insurance billing. Anything not covered by your insurance company will be your responsibility.

We request payment at the time of your appointment for services that are not covered by your insurance. Your insurance company may also require that you pay a co-pay at the time of your appointment. When necessary, our staff will work closely with patients who require a payment plan.

Should you have any questions or concerns regarding billing, you may contact us at

301-982-7944.

Any additional questions regarding your coverage and benefits should be directed towards your employer or insurance company.
